ECASS
European Cities Against
School Segregation

What can cities do against school segregation?

October 11th 2022, Brussels

2pm – 3pm The ECASS project results

Overview of the project and brief presentation of the main outputs that the ECASS Project has produced in the last 3 years:

- City indicators on school segregation
- Training materials on School Segregation
- Covid and segregation
- Information policies against School Segregation

3pm – 3.30pm Coffee break

3.30pm – 5pm Policies to tackle School Segregation

There will be two simultaneous groups. Policymakers and stakeholders are invited to participate in one of these groups, where (1) link between urban and education policies and (2) Social and education will be discussed as tools to tackle School Segregation. Challenges and potentials of European, National and Local policies will be discussed with the objective to situate the struggle against segregation as a core goal of the European policy.
